2026-2027 Tuition Policy

Tuition rates are based on four classes per month and may be prorated when applicable based on the number of scheduled class weeks. Tuition is due by the 1st of each month for the current month.

All tuition payments are nonrefundable and nontransferable. If a student chooses to discontinue classes, no refunds or credits will be issued for tuition already paid. Students are encouraged to complete the remainder of the month for which tuition has been paid. Unused tuition may not be transferred or applied toward merchandise, costumes, private lessons, or other studio fees.

Late Tuition Policy

Tuition is due by the 1st of each month. If payment has not been received by the 8th, a \$20 late fee will be added to the account. If the balance remains unpaid, an additional fee equal to 20% of the total outstanding balance will be added each week until the account is paid in full.

Example:

- \$250 tuition payment due on the 1st
- Unpaid by the 8th: \$20 late fee added → **\$270 balance**
- Balance remains unpaid the following week: 20% added (\$54) → **\$324 balance**
- Balance remains unpaid another week: 20% added (\$64.80) → **\$388.80 balance**
- Additional 20% fees will continue to be applied weekly until the account is paid in full.

If an account remains unpaid for three consecutive weeks, the student will not be permitted to attend classes until the account is brought current.

Returned checks are subject to a \$25 returned-payment fee.

Missed classes are not eligible for refunds or tuition credits. When available, students may schedule one complimentary makeup class within two weeks of the missed class. Makeup classes must be scheduled in advance and are subject to class availability.

Auto-Pay

Auto-pay is available for your convenience. Families enrolled in auto-pay will have the card on file charged for monthly tuition on the 1st of each month.

Additional account charges, including T-shirts, snacks, costumes, merchandise, and other studio-related expenses, will be processed according to the following schedule:

- Charges added between the 2nd and 14th will be processed on the 15th.
- Charges added between the 15th and the final day of the month will be processed on the 1st of the following month.

Each family will receive a weekly account statement to assist with tracking charges, payments, and account balances.
