\*Rates above are prorated per length of month – this scale is based off of a 4 class period month. **Tuition is non-refundable and nonexchangeable.** Tuition is due by the 1st of every month for the session the student is enrolled in.

**No refunds will be provided if your dancer should quit dancing, but it is suggested you finish out the month you've paid for.** Monthly tuition cannot be credited to merchandise or privates if a student should drop from classes midway through a month.

**Tuition is due by the 1st of every month for the session the student is enrolled in. Any late tuition will result in a \$20 late fee after a week of non-payment. An additional late fee of 20% of the total overdue balance on an account will be added for every additional week late. No exceptions.**

**Example:**

Account balance due on the 1<sup>st</sup> = \$250. Payment isn't made by the 8<sup>th</sup> = results in the \$20 late fee on account. New balance now equals \$270 (tuition plus late fee). Payment still isn't made by the 8<sup>th</sup> so 20% is added (20% of \$270 = \$54) bringing the new balance to \$324. Payment isn't made again by the 15<sup>th</sup> so another 20% is added (20% of \$324 = \$64.80) bringing the new balance to \$388.80. And so on and so forth.

If tuition falls behind by three consecutive weeks, the child is not allowed in class until payments are caught up. Returned checks result in a \$25 fee. If a child should miss a class, there is no deduction from the monthly tuition; however they are encouraged to schedule a free makeup class within two weeks of the missed class. There is an annual enrollment fee of \$35/ per dancer due at the time of enrollment.

**Auto-Pay:**

We do offer an option to keep a credit card on file for convenience. This card will automatically be charged for the tuition on the 1<sup>st</sup>. Tuition is always due on the 1<sup>st</sup> and is for the full month at once. Your accounts may acquire other charges throughout that month (tee-shirts, snacks, costumes, etc.). These fees will pull our on the 15<sup>th</sup> if added between the 2<sup>nd</sup>-14<sup>th</sup> of the month. If they are added after the 15<sup>th</sup>, they will pull out on the 1<sup>st</sup> along with your tuition.

Each family will receive a weekly statement to ensure all fees are explained and expected.
